

WILMINGTON YOUTH LACROSSE ASSOCIATION

Dear Parents,

Welcome to Wilmington Youth Lacrosse Association (WYLA) and thank you for your interest and support in what we will be another exciting year for WYLA. WYLA was founded in 2004 as a non-profit organization with the sole objective to provide an opportunity for children to play, in town, at a developmental level, one of the most exciting sports in the area, Lacrosse. While, as with any sport, we realize there will always be some competitiveness, WYLA's focus is on fair play for all, development of skills, and enjoyment of the game.

The mission of WYLA is simple:

WYLA is founded to provide the children and families of Wilmington the opportunity to learn the game of lacrosse in a safe environment that provides an opportunity for all players of all abilities to develop skills and game knowledge. WYLA will emphasize sportsmanship, teamwork, fair play and respect for all and will work with the children and families, regardless of ability, in a sports setting, to foster and promote understanding in the fundamentals and the fine points of lacrosse.

We ask of you, as parents, your commitment to this mission and your support as we work to provide a positive youth sport experience for children. It is our belief that the success of WYLA relies with the participation of volunteers and the support of parents. We appreciate your patience and understanding as this program grows and encourage your suggestions, ideas and involvement to help make our second season a success.

Thank you again for your interest and support. Should you have any questions, please do not hesitate to contact any one of us.

We look forward to a successful season of Wilmington Youth Lacrosse.

Best Regards,
